COMPTROLLER'S OFFICE, BANGALORE.

Circular No. T. A. D. Mis. 171, *dated* 10*th February* 1930.

Subject.—Noting the pay on 1st July of each year in a separate page at the end of Service Register.

To

All Heads of Departments and Offices.

Reference is invited to this Office Circular No. 623—Pen., dated 1st October 1929 (published on page 1315, Part IV of the *Mysore Gazette*, dated 17th October 1929), regarding instructions in the matter of preparing applications for Compassionate Gratuity. According to para 2 of this circular the calculation of admissible compassionate gratuity is to be made on the basis of the pay on 1st July of each year, as entered in the Annual Return of establishment taking into consideration the increment or promotion that may accrue on that date. To enable the head of the office to readily calculate the total gratuity admissible while submitting the application for Gratuity, it is necessary to maintain a separate record of the pay on 1st July as shown in the annual return of establishment of each year. All heads of offices are therefore requested to see that this information is recorded in an abstract at the end of the Service Register in the following form,* the entry being made every year at the time of the preparation of the annual return of establishment and attested by the head of the office at the time of signing the return.

SUBJECT.—Instructions in regard to the compilation of the monthly returns of Stamps.

Circular No. 172—*Tad. Mis., dated* 12*th February* 1930.

To

All Treasury Officers.

Cases have come to notice in which the monthly Plus and Minus Memos of Stamps sent to this Office were not correctly prepared in some treasuries. The more common defects and irregularities noticed are as follows:—

(1) Receipts from Vendors were not shown separately but included in "Receipts from Central Depot."

(2) There were discrepancies in the value of Stamps sold as per Plus and Minus Memos and the value credited in the treasury accounts under the respective heads.

(3) The returns were sent without verifying the Closing Balance shown therein with the actual stock.

2. The following instructions, which are supplementary to those contained in Appendix XXXII, M. C. A. C. Vol. II, are, therefore, issued for future guidance.

(1) While compiling the monthly stamp account of each Taluk Treasury, the undermentioned points should receive special attention:—

(*a*) The opening balance should agree with the closing balance of the previous month.

(*b*) Receipts from the Local Depot, Receipts from Vendors (paid for in cash) and receipts for stamps issued in exchange should be shown as separate items under "Receipts."

(*c*) Total monthly sales, as shown in the sales register, stamps issued in exchange for other denominations, and damaged stamps returned to the Local Depot should be shown as separate items under "Issues."

(*d*) The Opening Balance plus total receipts minus total issues will be worked out and entered as Closing Balance. The Closing Balance so arrived at will be compared with the aggregate of the balances under "Double and Single Lock" as shown in the Double Lock and Single Lock Stock Registers.

(*e*) The actual stock at the end of each month (both in the Double Lock and in the Single Lock) should actually be counted by the Treasury Officer and the balance
